IH21 Handheld UHF RFID Reader

Honeywell's handheld UHF RFID reader is the ideal handheld RFID reader for use with Honeywell mobile computers when high-performance RFID reading in a compact, lightweight package is required.

INSTANT REBATE: \$650/unit (stackable with PRs)

TERMS AND CONDITIONS

- All Partners of Honeywell Productivity Solutions and Services located in the United States and Canada are eligible to participate.

The Offer

- Partners will receive rebates in the form of an instant rebate (price reduction) at the time of purchase for SKUs listed in Table A.
- All below products in Table A currently in Honeywell's distributor or Honeywell's inventory are included in this program and can make up eligible orders.

Exclusions

- Custom SKUs are excluded.
- In order to be eligible for the program, equipment orders must be both placed by and invoiced/shipped to the Partner between October 3, 2021 and December 31, 2021. No backlog will be supported.

Stackability

- Rebates are stackable with Performance Partner Discounts and Project Registration Discounts (PRs).
- Rebates are not stackable with PEs.
- Rebates cannot be combined with any other product promotion.
