

Ingram Micro Financial Solutions

With interest rates on the rise, your clients need your help in managing their business purchases. Ingram Micro specializes in flexible credit financing to support you and your clients! We can customize solutions to match your go-to-market financing strategy and help close more deals. Our current programs offered are:

- Standard N30 credit terms that can extend for specific customers and/or individual deals
- Regular proactive increases in credit line capacity for growing customers
- PO financing of multi-year software agreement {no finance contract required}
- Direct Express Lockbox Payment Program (using strength of end user, eliminating credit, and working capital constraints)
- Flexible payment terms of up to 60 months
- Pass through of vendor terms for multi-year licensing deals, with options for upfront funding to vendor and Reseller
- Funding of Reseller Managed services contracts
- Traditional inventory flooring programs
- Credit Card Acceptance with Visa, Mastercard and American Express
